

BHATE & RAJE CONSTRUCTION COMPANY PVT.LTD.

STOP WORK POLICY

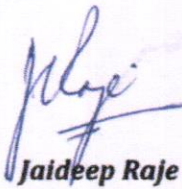

We, at Bhate & Raje Construction Company Pvt. Ltd., as a responsible corporate citizen and well reputed contracting organization, are committed to giving priority to the Occupational Health, Safety and Environment excellence in all our activities wherever we operate.

We shall endeavor to take every reasonable and practicable step to minimize or eliminate occupational health hazards, risk of injuries and damage to properties and/or environment.

It is our policy that all employees, including partners and contractor's staff, shall STOP WORK when there is an imminent danger and real threat which can physically endanger them and/or others or cause adverse impact to properties and environment.

When there is doubt on whether work should continue, employees including partners and contractor staff, should promptly stop and notify their immediate supervisor for assessment of the hazardous condition.

We require all our employees, partners and contractors to strictly support this policy at all times
