

BHATE & RAJE CONSTRUCTION CO PVT LTD

CHEMICAL HANDLING AND STORAGE POLICY

Bhate & Raje Construction Company Pvt.Ltd is willingly committed to implement Chemical Handling & storage policy to the maximum possible extent.

All construction chemical is classified as hazardous chemical & every individual working & using chemical at site is required to adopt the following safety precautions.

The caps of the drum/container shall be opened only in well-ventilated area.

While removing the chemical from the container, pump to be used & use of drip tray as a secondary containment.

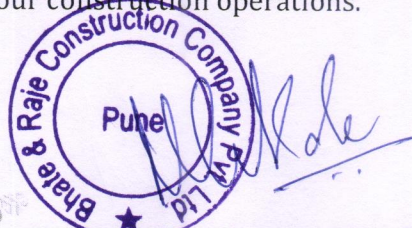

While carrying the chemical from the storage point, container should be closed & spillage on the ground to be prevented by using chemical spill kit.

During handling & use of chemical Hand gloves, Safety goggle & Nose mask are compulsory.

1. No smoking boards & No Flammable materials to be store with the chemical.
2. Display of MSDS relating to chemical is necessary.

This Policy is considered as a continual improvement opportunity for all of us and and very supportive for organizational growth.

Every one of us in BRCCPL is willingly committed for sustainable growth of our construction operations.
